1 Purpose of Report and Executive Summary

- 1.1 Political groups on the Council are formed in accordance with the Local Government (Committees and Political Groups) Regulations 1990 when 2 or more Councillors must notify the Proper Officer of their wish to be treated as a group. This report sets out the political balance and committee seat allocations for the civic year 2026/27.

2 Background

- 2.1 Section 15 of the Local Government and Housing Act 1989 requires Local Authorities to review the allocation of seats on Committees at the annual meeting, or as soon as possible after it. Once the Council has agreed the allocation of Committee places between the political groups the Council must then appoint the nominees of the political groups to the Committees.
- 2.2 Following recent changes to political group membership, the political balance was recalculated and agreed by Full Council in April 2026. Consideration of the allocation of seats at Annual Council provides an opportunity to make any necessary changes to those allocations. The agreed political balance is attached and set out at **Appendix I**.

2.3 The following principles apply to the allocation of seats:

- (a) That not all seats on the body to which appointments are being made are allocated to the same political group;
- (b) That the majority of seats on each Committee is allocated to a particular group if the number of persons belong to that group is a majority of the authority's membership;
- (c) Subject to (a) and (b), that, when allocating seats to a political group, the total number of their seats across all the ordinary committees of the Council, must reflect their proportion of the authority's membership; and
- (d) Subject to (a) and (c), that the number of seats on each Committee is as far as possible in proportion to the group's membership of the authority.

2.4 There are 119 seats to be allocated under the Committee System, noting that ungrouped Members do not automatically receive a proportion. The seat entitlement of each group on each Committee is thus based on the group's percentage representation on the Council as a whole as detailed in Appendix II. Whilst an initial version of this can be calculated mathematically, this usually results in a discrepancy between the strict entitlement of each group and the overall number of Committee seats to be allocated, requiring 'manual' adjustment to ensure that the number seats allocated to each group is fair. This process is known as 'gifting'.

2.5 Group Leaders have been requested to provide nominations to the places on Committees to which their respective groups are entitled; this has been set out in **Appendix II**.

2.6 Whilst sub-committees are also governed by the political balance rules, the overall requirement for total places to be balanced only applies to ordinary committees so sub-committee places do not need to be included in the overall calculation, but the membership of sub-committee places should be proportionate as far as is reasonably practical.

2.7 The Joint Transportation Board and the Planning and Transportation Policy Working Group are not committees covered by Section 101 of the Local Government Act 1972 and Section 15 of the Local Government Housing Act does not apply. The membership of the Planning and Transportation Policy Working Group will be for the Policy and Resources Committee to determine. While the Swale membership of the Joint Transportation Board does not need to be politically balanced, it does need to be agreed by Council.

3 Proposals

3.1 That Council is asked to agree the political balance calculation as set out in Appendix I.

- 3.2 That Council is asked to allocate seats to those Committees and to agree to the appointment of Members to those Committees, in accordance with the wishes of Group Leaders, as set out in Appendix II.
- 3.3 That Council is asked to agree Groups' nominations for Swale's membership of the Joint Transportation Board as set out in **Appendix III**.

4 Alternative Options

- 4.1 Council can decide to change the number and size of Committees, however, this will have an impact on the number of seats available on the Council and will therefore require the political balance to be re-calculated to reflect this. Members are encouraged to make officers aware in advance of the meeting of any proposals of this nature.

5 Consultation Undertaken or Proposed

- 5.1 All Group Leaders have been asked to advise Democratic Services of their nominations to seats on Committees for their respective Groups.
